

Notice of Public Meeting

The city of Boone plans to reconstruct Benton Street from 4th Street to 8th Street next year. A Public Information Meeting is planned for Wednesday, June 22 at City Hall between 5:00 pm and 6:30 pm. The meeting will be conducted using an open forum format. No formal presentation will be made. City and consultant staff will be present to discuss the proposed improvements.

The initial design of this project has been completed and we would like to take this opportunity start a dialogue with the surrounding property owners to seek issues from your perspective that may exist in the corridor. The design team and representatives from the City will be present to listen and gather your input so that it may be incorporated into the final design process.

If you have questions, or cannot attend the meeting but would like to provide input, please contact Wayne Schwartz, City Engineer, 515-432-4211 Ext. 112, email at wschwartz@city.boone.ia.us.
