Residents are encouraged to note a recent change in the side walk snow removal procedures.

The Boone City ordinance requires that property owners remove snow and ice accumulations from sidewalks within 24 hours in commercial districts and 48 hours in residential districts following a snow event. Owners are also required to maintain sidewalks clear of snow and ice.

New procedures in 2014 now require the City to publish notice in the newspaper informing residents of these requirements, but no additional notice will be given prior to the City performing work for properties that fail to comply. The City will cause the work to be completed and the charges will be assessed to the property taxes as a special assessment. The penalties for failure to comply with these requirements for the 2015 -2016 winter season are thirty dollars (\$ 30) for an interior lot, fifty dollars (\$50) for a corner lot for snow removal, fifty dollar (\$50) civil penalty, and a five (\$5) dollar administrative fee.

Property owners are encouraged to keep their sidewalks clear of snow and ice accumulation for the safety of the users of our sidewalks. Questions may be directed to Community Service Officer Michael J. Salati Sr. at the Boone Police Department at 515-432-3456 during normal business hours Monday through Friday from 9 am to 5 pm.

Miles of Lights

Help keep our Holiday Decorations lighting our streets each holiday season! Holiday decorations are rated for 10 to 15 year lifespan and think how bare our community would look during the holiday season with no decorations. These decorations are made possible by generous citizens such as you. Send your *tax deductible* donation to City of Boone PO Box 550, Boone, IA 50036 with "Miles of Lights" in the memo
 Pass on a "thank you" to our Public Works Department Staff for maintaining these decorations
