# City Wide Clean-Up June 2016

Our annual City Wide Clean-Up event is intended to assist property owners by hauling away items not normally placed at the curb for regular weekly garbage pickup (i.e. TVs, box springs, furniture). We want to foster a clean community. So let your friends and neighbors know about the event. *This event is for residential use only.*

## Reminder From The City of Boone Police Department

The Boone Police Department would like to remind the Citizens of Boone to watch out for pedestrians, bicyclists, and motorcycles.

As the weather gets warmer, you will begin to see an increase of children playing outside and riding their bicycles. The Boone Police Department would like to remind drivers to watch out for these children.

Pay special attention around schools, City Parks and anywhere that children gather. The Boone Police Department would also like to remind parents to encourage your child to wear a safety helmet and highly visible clothing when riding their bicycle. Helmets have proven to reduce injuries in all types of bicycle related accidents.

With warm weather, the city of Boone will also see an increase of people walking throughout town. Please pay special attention for pedestrians on the roadway and at all intersection.

It is the time of the year when we begin to see more motorcycles on the roadways. The Boone Police Department would like to remind drivers to pay attention to their surroundings at all times and avoid texting or using electronic devices while driving. Remember, texting while driving is against the law.
