Hi David,

I'm Whitney Kline I'm the owner of trend setters salon on Allen st.

I was wondering if it would be a possibility to change the parking in front of us to diagonal parking. We currently have an open parallel spot in front of us but I think a change to diagonal would be a better use of space.

As you know parking downtown can be scarce at times and think this would add a few more spots and be better accessibility to our clients and others. Please let me know your thoughts.

Thanks,

Whitney Kline
